

Fours

- Splash Day will be **EVERY THURSDAY**, weather permitting. All children should come in their swimsuit, with sunscreen applied. Children should bring sunscreen, bug spray, towel, and an extra change of clothes. **ALL PERSONAL ITEMS SHOULD BE LABELED.**
- Children should come in clothing that is okay to get dirty. There will be lots of arts and crafts throughout the week. **MPS is not liable for any clothing ruined during arts and crafts.**
- Sack lunch & bike day **will be EVERY TUESDAY.** Please make sure you pack your child what they will eat.
- For the week of July 3rd: There will not be any field trips nor water day planned. The kids will participate in an on-site VBS for the entire week!
- There are designated days on the calendar where children are asked to bring their favorite toppings, snacks and fruit. We ask that all families participate in this because the children really enjoy it. We are always trying to plan fun activities.
- For the designated days that children are asked to bring food items from home, we ask that parents encourage children not to share. There are children throughout the facility with severe food allergies.
- Now that children are in the 4K program, **TOYS and CUPS** are no longer allowed in the classroom.
- There will be a summer curriculum. An assessment will be done with each child to determine their academic level. This will help the teachers know where to begin with each child and act accordingly.
- Because numbers will be so low throughout the summer, both four-year old classes will be combined all summer. They will be in Ms. Adrienne's room.
- Please do not bring a back pack for the summer. Children should only have a ziploc bag of extra clothes.

Field Trips:

- All children should arrive at least an hour before the field trips. They should be wearing their MPS shirt and closed toe shoes **WITH SOCKS.** All shirts should be bought by May 15th. They are \$15.00 each.
- All children will be expected to follow policies and protocols while on field trips. All children will go on the first three field trips. If after those trips, the child can not follow policies/protocols of the facility, the child will no longer be allowed to go on the trips without a parental chaperone.
- If food items are bought during a field trip, there needs to be enough bought for all of the kids in the program. It is unfair for the other children. Teachers will also be expected to follow this protocol.
- For the field trip to the zoo, all children should bring a sports water bottle. Please make sure it is **LABELED** with their name.
