

## Younger After-Schoolers

- There will be a summer curriculum. An assessment will be done with each child to determine their academic level. This will help the teachers know where to begin with each child and act accordingly.
- Children should come in clothing that is okay to get dirty. There will be lots of arts and crafts throughout the week. MPS is not liable for any clothing ruined during arts and crafts.
- Their sack lunch will be EVERY MONDAY. Please make sure you pack your child what they will eat.
- Their Bike is EVERY THURSDAY!!
- Their Splash Day is EVERY FRIDAY!!
- We will have a Spanish Teacher come throughout the summer program.!!!
- There are designated days on the calendar where children are asked to bring their favorite toppings, snacks and fruit. We ask that all families participate in this because the children really enjoy it. We are always trying to plan fun activities.
- For the designated days that children are asked to bring food items from home, we ask that parents encourage children not to share. There are children throughout the facility with severe food allergies.
- If a child brings an electronic device of any kind, MPS IS NOT LIABLE FOR ANY DAMAGED DEVICES. This includes but is not limited to, iPhones, iPads, tablets, etc. There will be a designated time frame each day where the children are allowed to play on their tablets.

## Field Trips

- This age group will be having splash day EVERY FRIDAY weather permitting. All children should come in their swimsuit, sunscreen applied. Sunscreen will be reapplied throughout the duration of the swimming session. Children should bring sunscreen, bug spray, towel, and an extra change of clothes. ALL PERSONAL ITEMS SHOULD BE LABELED. MPS IS NOT LIABLE FOR LOST/STOLEN TOYS, TOWELS, SWIMSUITS.

- All children will be expected to follow policies and protocols while on field trips. All children will go on the first three field trips.
